A COMPLETE SERVICE

Global Purchasing Power

With over 40 years industry experience M Barnwell Services has created partnerships worldwide. This Global buying power means we can source everything you need at the best possible price. Our customers tell us that the savings they achieved are significant to their operations.

Seal Maker Service

With two CNC Seal - Making Machines M Barnwell Services can produce a variety of bespoke seals 'in-house' to meet the customers exact specifications.

It's a cost effective solution with parts designed, manufactured created and shipped within 24 hours.

Packaging and Image Branded Packaging

Let M Barnwell Services take the time consuming and expensive process of building kits out of your production process. Sourcing, assembling, packaging and branding can all be acheived through the "First Impressions" service.

This dedicated facility can also 'image brand' the kits in-accordance with the logo, colour and corporate guidelines of your company.

- Sourced: M Barnwell Services will source, stock and supply products according to your scheduled requirements
- Packed: Automated packing machines can provide pack sizes and quantities according to the customers requirements
- Labeled & Branded: Product can be supplied, labeled and branded providing customers with immediate saleable products
- Delivered: All products will be 'ready to go' according to the customers pre-advised delivery and production schedules

WHO WE SUPPLY

In 2015/16, Formula 1 cars will contain Barnwell Seals
